

# *Let's Talk!*

**Let's Talk ... and Listen to each other.** The League of Women Voters of Umpqua Valley has designed a [Living Room Conversations](#) program to learn and practice how to listen and speak to one another without offending, threatening, or trying to change minds.

We believe this opportunity will benefit our community. When we speak to each other respectfully and without judgement, we might learn something new!

Basic principles:  
[Conversation Agreements](#)  
[Key Principles and Best Practices](#) by the National  
Institute for Civil Discourse
